2013 Tax Table

Example. Mr. and Mrs. Brown are full-year residents of North Dakota and are filing a joint return. Their North Dakota taxable income is $49,935. First, they find $49,900-$49,950 in the ND taxable income column. Next, they find the "Married filing jointly" filing status column and read down the column. The amount shown where the ND taxable income line and the filing status column meet is $609. This is their tax.

Note: If Mr. or Mrs. Brown (or both) were part-year residents or full-year nonresidents of North Dakota, they would enter the $609 on Schedule ND-1NR, line 20, and complete the remainder of that schedule to calculate their tax.
